

Make a collage either on paper, a tissue box, or other digital media representing things you like and dislike – make sure it's appropriate for school. (The tissues will be used by the students throughout the year.) Be prepared to make an oral presentation using your visual – it should include 3 sentences and except for your name, NO ENGLISH!

“Me llamo (First Name) (Last Name).

Me gusta(n)...(three visuals of what you like).

No me gusta(n) (two visuals of what you dislike).”
